Subject - Support for the Dean Alumni Association

Respected Sir/Madam,

I am writing to express my heartfelt gratitude towards the Dean Alumni Association and to highlight the pivotal role it has played in reconnecting me with my alma mater and facilitating my academic journey.

After moving out of India, I had unfortunately lost contact with my professors and the college. While searching online, I came across the Dean Alumni Association, which proved to be an invaluable resource. Upon reaching out, I connected with Ms. Kavya, the former president of the association, who kindly provided me with the contact details of Ms. Annum, the current president.

Ms. Annum along with the guidance and support of Dean Alumni, Dr. Kanwalpreet, played a crucial role in helping me secure recommendation letters from my professors, Dr. Ranju Gulati and Ms. Anjali Sharma, which were essential for my current endeavors.

This association serves as an incredible bridge between the college and its alumni, ensuring that even those of us who have moved far away can still feel connected and supported. The assistance I received during this process reflects the dedication and hard work of the association's members. It is a testament to the enduring spirit of our college community.

I strongly urge the college administration to support the Dean Alumni Association in every possible way. Whether through increased resources, recognition, or collaboration, investing in this association will undoubtedly strengthen the bond between the college and its alumni, fostering a lifelong connection that benefits everyone involved.

Once again, I extend my deepest thanks to Dr. Kanwalpreet, Dr. Ranju Gulati, Ms. Anjali Sharma and Ms. Annum for their unwavering support. I hope to see this association flourish further and continue its commendable efforts in the years to come.

Warm regards,
